#### VOTE-ONLY ISSUE 1: DEPARTMENT OF EDUCATION, TK-12 LOCAL ASSISTANCE & STATE OPS

Item	Subject	Description	Assembly Position
1	<p><b>Local Control Funding Formula</b></p> <p>6100-601-0001</p> <p>Education Code Section 42238.022</p> <p>(Governor's Budget and May Revision)</p>	<p>The Governor's Budget provided a COLA of 3.84 percent (1.5 percent attributed to 2021-22 and 2.31 percent to reflect the foregone COLA in 2020-21), approximately \$2 billion, for the 2021-22 fiscal year, bringing total LCFF funding to \$64.5 billion. The May Revision increases this amount by \$1.2 billion to reflect an updated COLA of 5.07 percent (1.7 percent attributed to 2020-21 updated, 2.31 percent to reflect the foregone COLA in 2020-21, and an additional 1 percent increase) and updated ADA growth.</p>	<p>Approve as proposed with placeholder trailer bill language.</p>
2	<p><b>Removal of Outyear Proposition 98 Supplemental Payments and Test 1 Rebench</b></p> <p>Education Code Section 41204.2</p> <p>(Governor's Budget and May Revision)</p>	<p>The Governor's Budget eliminates the multi-year payment obligation in the 2020-21 budget designed to supplement funding provided by Proposition 98. This new obligation designated 1.5 percent of General Fund Revenues per year to K-14 education beginning in 2021-22 to provide \$12.4 billion over a multi-year period. With the General Fund revenues estimated in the proposed budget, the recovery of the Proposition 98 Guarantee from reductions related to COVID-19 is achieved. In addition, the Governor's Budget provided a one-time overappropriation of the Proposition 98 Guarantee in 2021-22 by \$2.3 billion, reflecting the amount the supplemental payment would have been in 2021-22. The May Revision further removes the proposal to make the 2022-23 payment.</p>	<p>Approve as proposed.</p>

<p>3</p>	<p><b>Special Education Early Intervention Preschool Grants</b></p> <p>6100-161-0001, Education Code Section 53836.40</p> <p>(Governor's Budget and May Revision)</p>	<p>The Governor's Budget provides \$300 million in ongoing Proposition 98 General Fund for the Special Education Early Intervention Grants to increase the availability of evidence-based services for infants, toddlers, and preschoolers. The proposal would provide funds based on the number of preschool aged children with special needs residing within the school district. Under this proposal, funds would be required to supplement existing special education resources currently required to be provided pursuant to federal and state law and promote a targeted focus on services and supports being offered in inclusive settings, to the extent practicable. Funds could be used to serve children from birth to age five. The May Revision makes technical trailer bill edits.</p>	<p>Adopt amended proposal and placeholder trailer bill language to modify the special education base formula to double count kindergarten attendance for school districts when calculating ADA for purposes of special education funding. This approach effectively uses kindergarten attendance as a proxy for preschool attendance, since most preschool aged students do not attend programs in public schools. Provide \$255 million for this change in 2021-22.</p>
